

NORTH ARKANSAS BIRD DOG CLUB

— Who We Are & How We Operate —

We're a community of passionate bird dog people right here in the North Arkansas/Southern Missouri region who love the dogs, love the land, and believe there's nothing quite like watching a well-broke dog work a field at first light. The North Arkansas Bird Dog Club exists to keep that tradition alive and growing for generations to come. Pull up a tailgate and get to know us. 🐾

WHO WE ARE 🐾

The North Arkansas Bird Dog Club is dedicated to promoting bird dog field trialing, hunting, ethical dog development, wildlife conservation, and a strong community of sportsmen and sportswomen across our region. We believe great dogs and great people go hand in hand. If you share that belief, you already belong here.

MEMBERSHIP 📋

Membership is open to anyone who loves the sport and is willing to stand behind our values. Annual membership dues are \$25 for the 2026/2027 season (season starts Oct 1st). Every member agrees to uphold our Club Tenets and Membership Code of Conduct when they join. All individuals who handle dogs on NABDC fields must hold an active paid membership.

OUR TENETS 🐾

At the heart of everything we do are seven Tenets every member commits to: ***Safety, Sportsmanship, Dog Development, Community, Advocacy for the Future of Hunting, and Conservation/Habitat Stewardship.*** These aren't just words on paper — they're how we show up in the field and in our communities.

HOW WE'RE RUN 💰

The Club operates as a nonprofit, and we keep it that way on purpose. Our Treasurer manages finances with full Board oversight, and everything is handled with transparency and accountability. Nobody profits — every dollar we bring in goes right back into the Club, the sport, and the land we love.

We're more than a club. We're a community built around the dogs, the land, and the traditions we love — and we'd be proud to have you join us. Whether you're a seasoned field trialer or just getting started with your first pointing dog, there's a seat at the table for you. 🐾
